Outpatient Program

# The Intensive Outpatient Program at AspenRidge Recovery

AspenRidge Recovery is committed to providing evidence-based services at convenient times for men and women seeking transformative recovery from addiction.

## Our Outpatient Services are:

- ◆ Designed to effectively treat alcoholism, addiction and co-occurring disorders.
- ◆ Highly effective co-occurring clinical care from clinicians with both addictions and mental health backgrounds.
- ◆ Programming Includes a unique blend of behavioral therapies, psychodynamic “process” and “talk” therapies, and experiential work too!

## Our Outpatient Program Includes:

- ◆ Convenient evening group services perfect for students, professionals, and those in the community that do not wish to receive housing with their treatment.
- ◆ Group sizes are small and individuals are weekly to ensure consistent attention to your needs.
- ◆ Random urinalysis twice a week.

## Our Outpatient Program Costs:

**No out-of-pocket cost with qualifying insurance!**

Without Insurance we offer monthly cash prices, with the cost of weekly urinalysis and individual session included.

5 Days a Week	\$2500
3 Days a Week	\$1800
1 Day a Week	\$750

**Insurance May Cover 100%**
